[www.4goco.info](http://www.4goco.info)

### Volunteer Opportunities for Outreach

#### Crafts and Jewelry Projects

As a fundraising resource and provides a opportunity to socialize with others.

#### Book Project

Our first book "Ribbons of Hope" is an anthology of survivor's stories by women in our community. The books are offered for a \$10.00 donation. We are now accepting stories and poems for our second book "Bands of Hope."

#### Journaling /Creative Writing Class

A free class taught by a local author who is a cancer survivor on the first and third Thursdays of every month from 12:30 to 2:00. Open to the public.

The women of the Oroville Women Cancer Support come from all walks of life. We know the importance of support from others and care for ourselves. We have our stories to share and the purpose to provide each other with friendship, encouragement and a listening ear. All that is shared is kept confidential. We'd love to hear from you. Please feel welcome to come to a meeting.
